The Aire, a product of **Euro Pianos Naples**, is a new model baby grand fusing a traditional wood case with acrylic legs, lid and lyre to inspire a levitating "on air" crystal grand piano that projects modernity as well as creative vision. It is an ideal vehicle for Soukovetski's innovative performances, enhancing the glamor and glitter of his showmanship.

In His Shoes will showcase his own versions of the popular hits of Madonna, Celine Dion and other iconic artists, as well as his experiences from his international career as a Russian-American coming of age in New York City. The artist will be wearing his renowned exclusive shoe designs, By Konstantin Homme, which are specialty shoes and accessories implementing Swarovski elements.
